

WHAT IS CLAIMED IS:

- 1 **1.** A method for manipulating receipt data, the method comprising:
2 selecting a first line item from a first electronic receipt, thereby
3 forming a list; and
4 authorizing a group of people to review the list.

- 1 **2.** The method of claim **1**, further comprising the step of
2 reviewing the list, the reviewing performed by one of the group
3 of people.

- 1 **3.** The method of claim 2, wherein the step of selecting comprises
2 selecting a first line item corresponding to a first product; and
3 wherein the step of reviewing comprises
4 sensing a reproduction of the first product.

- 1 **4.** The method of claim 2, wherein the step of selecting comprises
2 selecting a first line item corresponding to a first product; and
3 wherein the step of reviewing comprises
4 viewing a reproduction of the first product.

- 1 **5.** The method of claim 2, further comprising the step of
2 placing a order for the first line item.

- 1 **6.** The method of claim 2, wherein the step of reviewing comprises
2 viewing and commenting on the list.

- 1 **7.** The method of claim **1**, further comprising the step of
2 selecting a second line item from the first electronic receipt
3 and adding that second line item to the list.

- 1 8. The method of claim **1**, further comprising the step of
2 selecting a second line item from a second electronic receipt
3 and adding that second line item to the list.
- 1 **9.** A method for purchasing goods, including services, from multiple
2 merchants, the method comprising:
3 selecting first and second goods for purchase on respective
4 first and second websites; and
5 paying for the first and second goods with one transaction
6 from a consumer perspective.
- 1 10. The method of claim **9**, wherein the step of paying comprises
2 automatically placing first and second orders for the first and
3 second goods with the respective first and second websites.
- 1 11. The method of claim **9**, wherein before the step of paying, the
2 following step is performed:
3 juxtaposing a reproduction of the first selected goods to a
4 reproduction of the second selected goods.
- 1 12. The method of claim 10, further comprising the step of
2 downloading the retrieved electronic record.
- 1 13. The method of claim 10, further comprising the step of
2 viewing an advertisement during the step of retrieving.
